

Thoughts From Day 2

What are “you” going to do?

- Fleet efficiency
 - More hybrid busses/vehicles
 - Check tire pressure (help/hurt gas mileage)
- Decrease emissions/increase sustainability through policies and actions.
 - Talking with MPOs, ADDs, Public Officials
 - Making transit available to those who need it most.
 - Look at doing a complete streets projects in D6
 - Look at a possible Road Diet for East Main Street (Frankfort, KY)
 - Encourage disabled walk access

What are “you” going to do? (con’t)

- Making neighborhoods more “livable”
 - Play/exercise outside with family more
 - Walk more
 - Retro fit existing neighborhoods
- Improve school environment
 - Stop idling at schools
- Outreach through educating the public
 - Tell friends/family
- City vs. urban agriculture
 - Grow/buy more local food

What are “you” going to do? (con’t)

- Having generators to be prepared
- Taking the stairs instead of the elevator
